

Advancement in Photonics and physical sciences

Department of Chemistry, GCWUF is organising a 3-day international conference on "Recent Advances in Photonics and physical sciences".

Prof. Dr. Mukhtar Ahmad, Chairman HEC was the chief guest of the inaugural session who joined the conference virtually. Prof. Dr. Muhammad Ashraf, Vice Chancellor University of Lahore graced the occasion as Chief guest of the day. Prof. Dr. Mukhtar Ahmad congratulated the Vice Chancellor GCWUF Prof Dr Robina Farooq (T.I) and all organisers on organising the international conference with national and international scientists together under one roof. He stated that our nation is facing multiple challenges at present and conferences like this provide a solution to the prevalent problems. Prof. Dr. Ashraf, VC UOL appreciated the theme of the conference and efforts of all organisers, acknowledging university's vision to expand the research scope and providing a strong platform to national and international researchers to display their research.

Worthy Vice Chancellor GCWUF Prof. Dr. Robina Farooq (T.I) & international chair Prof. Dr. Yasin Akhtar Raja, University of North Carolina Charlotte USA vouched a vote of thanks with acknowledgement of the contributions of organizing team. They stressed on upgradation of scientific knowledge and interaction, and expressed gratitude to honourable guests and speakers for their kind presence on this occasion.

National chair of the conference Prof. Dr. Zilli Huma Nazli concluded the inauguration session with vote of thanks. She highlighted the quality measures and practices accomplished by the university under the vigilant leadership of Prof. Dr. Robina Farooq (T.I).

Prof. Dr. Muhammad Zubair Ex-VC Muhammad Nawaz Shareef University of Agriculture Multan also graced the occasion. Prof. Dr. Khizar Bhutta was among the most prominent international scientists from Whirlpool Corporation USA who participated in conference with a detailed plenary lecture on photonics.

3-day International Conference on "Recent Advances in Photonics and Physical Sciences" by the department of Chemistry is continued. Prof. Dr. Arshad Saleem Bhatti (T.I & S.I), Rector Virtual University Pakistan was the chief guest of today's 1st session. Dr. Bhatti, in his address, acknowledged & appreciated the role & contribution of Prof. Dr. Robina Farooq (T.I) in the development of research culture previously in COMSATS and now in GCWUF.

Patron in Chief of the conference Prof. Dr. Robina Farooq (T.I) expressed her gratitude to all the guests for their valuable time and contribution in the conference. She declared it the need of the time to increase the role of female scientists in improving and perfecting the technologies to improve the quality of life. She encouraged the young women to effectively participate in research & developments. She paid her especial tribute to Prof. Dr. Arshad Saleem Bhatti and appreciated the role of national & international organizers to make this event memorable. Later on guest of honor Prof. Dr. Syed Ismat Shah engaged students in his insightful talk and paid tribute to the women of honor in shaping the future of our country.

Today's plenary lecture (virtual mode) was delivered by Prof. Dr. Halil Ibrahim Ulusoy from Turkiye on chemical analysis of drug molecules. Patron in Chief Prof. Dr. Robina Farooq shared her words of grief & sorrow over the natural disaster happened in Turkiye last month with Prof. Halil Ibrahim. She further added that in this state of turmoil we stand with Turkiye with all our spirit.

Finally, Prof. Dr. Robina Farooq and Prof. Dr. Zilli Huma Nazli concluded the ceremony with vote of thanks & distributed shields/souvenirs among the conference organizers and various guests alongwith the chief guest Prof. Dr. Arshad Saleem Bhatti.

Institutional Performance Evaluation (IPE) Self Visit GCWUF

Directorate of Quality Enhancement Cell organized a successful IPE Self Visit of Government College Women University Faisalabad on 01 March 2023. Director QEC, Government College University Faisalabad Dr Khalid Mehmood Zia joined as external member of IPE, whereas Dr. Aasma Khalid, Director, QEC, Prof. Dr. Zill-i- Huma Nazli, Director Academics and Mr. Tariq Shahzad Director IT Services joined as internal member of IPE Self Visit. The first session of day-1 started with introduction of the university by Registrar GCWUF Mr. Asif A. Malik. He highlighted key features of university governance and major initiatives of the university for research and development. He highlighted the quality measures and practices accomplished by the university under the vigilant leadership of Professor Dr. Robina Farooq (T.I), Vice Chancellor GCWUF. The external member reviewed Institutional Performance Evaluation (IPE) on the basis of eleven IPE Standards: Mission and Goals, Planning and Evaluation, Organization and Governance, Integrity, Faculty, Student, Institutional Resources, Academic Programs and Curricula, Public Disclosure & Transparency, Assessment and Quality Assurance and Students Support Services. This session aimed to review the understanding and implementation of basic principles of Institutional Performance and IPE related standards.

The second session was based on discussion with students of all departments. The external member inquired about facilities in labs, reservations related to courses, teaching and research facilities. The students gave feedback on multiple contents related to their academic life.

The third session was based on discussion with the faculty members of all teaching departments. The panel discussed various aspects of course files and question papers. The Director QEC Dr. Aasma Khalid thanked Dr. Khalid Mehmood Zia for his insightful review throughout the day. Tomorrow, the panel is going to visit the campus and review the infrastructure.

Conference on Women in Leadership

All Pakistan Women University Consortium Conference is coming up with the support of HEC and British Council on March 10, 2023. Government College Women University Faisalabad is the partner university in organizing this consortium. The conference aims to highlight the significance of women's leadership role in the country's socio-economic development. Worthy Vice Chancellor GCWUF Prof. Dr. Robina Farooq (T.I) is one of the conference's key speakers.

PRIME MINISTER TELENT HUNT YOUTH WOMEN VOLLEYBALL TRIALS

Talent Hunt Youth Women Volleyball Trials of the Sialkot region have been organized by Government College Women University Faisalabad under the auspices of HEC at GCWUS on 02 March 2023. The opening of the trials was graced by Director Sports Government College Women University Sialkot Mrs Atya as guest of honour. Director Sports GCWUF Ms Fehmida Ayub welcomed the honourable guests and all enthusiastic participants. The 1st session of the trials completed successfully today. Some glimpses of today's activity are shared here.

Literary Session with Famous writer, Translator, Columnist & Poet Sadaf aMirza

Department of Urdu, Government College, Women University, Faisalabad, organized a literary session with Sadaf Mirza, a well-known writer, translator, columnist, poet (topic... Linguistics and Literature). The ceremony was presided over by Vice Chancellor Prof. Dr. Rubina Farooq Sahiba (Medal of Distinction). Sadaf Mirza presented her research on the thought of women in the society from Romanian, English, Danish and Urdu idioms and literature. The students should broaden their thinking and play a positive role in the society by using their inner abilities. The path of civility and decency and moderation between rights and duties will not be our own. The development of nations is possible only through education and training, so there is no need to try to move forward based on our values. Dr. Rukhsana Baloch, Coordinator Faculty of Humanities and Languages, welcomed Sadaf Mirza (Denmark) and other volunteers and emphasized to the students to combine education with skills. Dr. Sadaf Naqvi, President of the Urdu Department, thanked the distinguished guests and urged for the promotion of truth in the society. If both men and women fulfill their responsibilities in a good way, the society becomes successful. Prominent literary figures, Ms. Asma Qayyum (Australia), Dr. Shazia Sharif, Dr. Ha Jara and Salma Anbar participated in the event and emphasized on the promotion of moderation between innovation and cultural values in the society. English Department President Saira Akhtar, Media Director Amara Javed, Dr. Tayyaba Nighat, Ms. Bazgha Qandeel, Ms. Sadia Waheed and other teachers from the faculty participated in the literary session. Dr. Bushra Alamuddin organized the literary event in an excellent manner. Students of Urdu department participated in the event

Entrepreneurial Spirit 2023

Department of Management Sciences BIC at Government College Women University Faisalabad organized a successful Business Gala "Entrepreneurial Spirit 2023" on 2nd March 2023 in Fatima Block. Vice Chancellor GCWUF Prof. Dr. Robina Farooq (T.I) was the chief guest of the event, whereas Registrar GCWUF Mr. Asif A Malik was the guest of honor. Incharge, Department of Management Sciences Dr. Nausheen Syed was the convener of the event and Miss Saima Majeed was the organizer of the event. This event is a step towards training young entrepreneurs to avail chances to exercise their entrepreneurial spirit by displaying their business ideas to an audience on a platform. 50 new businesses were launched in which twenty business stalls were showcased from BIC first Batch. The remaining stalls were arranged by the Department of Management Sciences. There were up to 50 different categories of stalls that showcased their products & services, including technologies (Different Apps), clothing, fertilizer, seeds art, jewelry, shoes, wedding event accessories, culture dresses, make up products, Photography, videography, handmade products, electric products, recycled products, painting and calligraphy, home decoration items and food stalls. Worthy Vice Chancellor visited every stall and appreciated the innovative ideas of the students. Prizes and certificates were distributed among position holders.

Breast Health Certification Workshop

Government College Women University Faisalabad in collaboration with Mamacare Foundation organized a Breast Health Certification Workshop on 21-23 February 2023. Vice Chancellor GCWUF Prof. Dr. Robina Farooq (T.I) was the chief guest of the event held under the convenorship of Director Academics, Dr. Zill-i-Huma Nazli. The organizing committee included Dr Salma Shahid, Dr Tamseela Mumtaz, Dr Hira Munir, Dr Sumaira Aslam and Dr Safina Kausar from the Department of Chemistry and Biochemistry. The resource person of the workshop was a highly experienced and knowledgeable breast health professional, Dr. Muhammad Ilyas Khan, the first male breast health specialist in town.

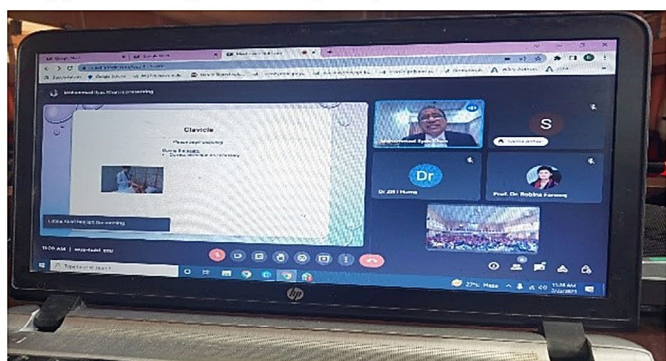

The objectives of the Breast Self-Examination Certification Workshop were to provide an overview of breast health and the importance of early detection, discussion on the latest research and evidence-based practices in breast health, enhancement of knowledge and skills of healthcare professionals in breast health assessment, screening, and diagnosis, improvements in the quality of breast health care through a multidisciplinary approach, and provision of a platform for networking and collaboration among healthcare professionals.

The workshop covered a range of topics related to breast health, including anatomy and physiology of the breast, breast cancer risk assessment and management, clinical breast examination techniques

Breast imaging modalities and interpretation, biopsy and pathology techniques, breast cancer treatment options, and survivorship care and support.

The workshop was attended by 650 students along with faculty members from different disciplines: Biochemistry, Botany, Chemistry, Computer Science, IT, Food Science and Technology, Nutritional Sciences, Sociology, Political Sciences, and Zoology. Participants declared the workshop very informative, engaging, and relevant to the scope.

The Breast Health Certification Workshop was a successful event that provided students and faculty with valuable knowledge and skills in breast health assessment, screening, and diagnosis. The workshop highlighted the importance of early detection and a multidisciplinary approach to breast health care. We hope that the knowledge and skills gained from this workshop will be applied to improve the quality of breast health care and ultimately reduce the burden of breast cancer in our communities.

Hands-On Training on "IEEE Xplore Challenge for Researchers in Pakistan"

IEEE has launched its 5th IEEE Quiz "IEEE Xplore Challenge for Researchers in Pakistan" from 1st February to 31st May, 2023. In this regard Library organized two days of hands-on Training for Faculty and Students of GC Women University Faisalabad on 27th & 28th February, 2023 in the CS Computer Lab, consisting of multiple sessions of 50 to 60 minutes each. The Session was chaired by Prof. Dr. Zill-i-Huma Nazli. Mr. Muhammad Rashid Pervaiz, Senior Manager Admin & Trainings, and Majid Murtaza Khan Lodhi, IT Manager A&J Def Tek Consultants were the resource persons. The resource persons gave a hand-on training on IEEE digital library and guided the participants, who, after that, will be doing the quiz to take the IEEE Xplore challenge 2023. At the end of each session there were On-Spot Freebies and Prizes as well through Lucky Draw for the attendees. After the training session, the Chief Guest Prof. Dr. Robina Farooq, Vice Chancellor GC Women University Faisalabad distributed gifts among the winners of lucky draw.

Women's International Day

Department of Public Administration, GCWUF presented tribute to all women in the world on International Women's Day on 8th March 2023. The department held a quiz competition and rally of mock figures of many notable Pakistani women known for their extraordinary services in diverse fields of life. Worthy Vice Chancellor Prof. Dr. Robina Farooq (T.I) was the chief guest of the event. Prof. Dr. Arshad Saleem Bhatti, Rector, Virtual University of Pakistan, and Prof. Dr. Ismaat Shah from UIUC, USA, were the guests of honor. Coordinator Faculty of Management Sciences Dr. Nausheen Syed was the convener of the event. Incharge Department of Public Administration was the organizer of the event. The purpose of this event was to uphold women's achievement, recognize challenges and focus greater attention on women's rights. It is a day when women are recognized for their achievements without regard to divisions, whether national, cultural, economic or political. Role models for our national dignitaries from various sectors reflected the real pictures by describing historical achievements of those legend women. A tribute was presented to Worthy Vice Chancellor GCWUF by depicting her role. Students paid tribute to respected and dearest Ms. Fatima Jinnah, Benazir Bhutto, Bilqees Edhi, Madam Noor Jehan, Malala Yousaf Zai, Arfa Kareem, Asma Jehangir, Muniba Mazari. Registrar GCWUF, Mr. Asif Malik, and Director Academics Prof. Dr. Zill-i-Huma Nazli also visited the event and appreciated students' efforts. Dr. Nausheen Syed distributed the certificates among the students. In addition to the distinguished guests, Incharges of various departments, Dr. Syeda Samina Tahira from the Department of Education, Ms. Shahida Perveen from the Department of Commerce, Ms. Saira Akhter from the Department of English, Ms. Tayaba Anwar from the Department of Political Science, Dr. Unsa Jamshed from the Department of Pak Studies, and Ms. Fahmida Ayub from the Department of Health and Physical Education also graced the event. Different food stalls were arranged by the students of the Department of Public Administration. Quiz Competition related to our great women was also a part of the event. Different questions were asked by the audience about history/achievements of Pakistani legendary female figures.

An Awareness Walk on Women's International Day

The Faculty of Management Science at GCWUF organized an awareness walk on Women's International Day to celebrate the achievements of women and promote gender equality. Walk was headed by Dr Nausheen Syed Coordinator of Faculty of Management and Administrative Science, In-charge department of commerce Ms. Shahida Parveen and Incharge department of Public Administration Dr. Saiqa Sadiq accompanied her. Senior faculty members and students carried cards with messages of female empowerment. The event aimed to raise awareness of the challenges faced by women in society and to encourage greater participation in efforts to promote gender equality. Speaking about the event, Dr. Nausheen Syed, said: "We are proud to have organized this event on Women's International Day to promote gender equality and celebrate the achievements of women. This event is an important step towards creating a more inclusive society where women are treated with respect and dignity."
