Vice Chancellor GCWUF Prof. Dr. Zill-i-Huma Nazli in a Meeting with Chancellor Governor Punjab Engineer Mohammed Baligur Rahman

Vice Chancellor Government College Women University Faisalabad calls on Chancellor Governor Punjab Engineer Mohammed Baligur Rahman. In today's meeting with honourable chancellor, VC GCWUF Prof. Dr. Zill-i-Huma Nazli presented progress report of the university, discussed development of the university in teaching and non-teaching fields. She specifically discussed problems related with service matters of university staff, regularization problems, and many allied issues. Honourable Chancellor expressed his great satisfaction on the pace of university progress and assured that issues related with service matters of teaching and non-teaching staff of the university will be resolved on priority basis as per university rules.

Pakistan Poultry Association Delegation Calls on Vice Chancellor GCWUF Professor Dr. Zill-i-Huma Nazli

Pakistan Poultry Association Delegation Calls on Vice Chancellor GCWUF Professor Dr. Zill-i-Huma Nazli. The delegation of the Pakistan Poultry Association visited the Vice Chancellor of Government College Women University Professor Dr. Zill-i-Huma Nazli. The delegate was led by Abdul Hai Mehta, Chief Organizer International Poultry Expo. Senior Vice President Dr. Rana Sajjad Arshad, Convener Registration International Poultry Expo, Shahid Iqbal, Dr. Khalid Mehmood Shauq, Muhammad Yasin Randhawa, and Major Retd Javed Hussain Bukhari Secretary International Poultry Expo were part of the delegate.

Prof. Dr. Zill-i-Huma Nazli appreciated the importance of the poultry industry in Pakistan and emphasized the importance of linkage with the industry. She acknowledged that the importance of the poultry sector cannot be denied because poultry ingredients are present in our daily food in one or the other form. Mr. Mehta invited the Vice Chancellor to the inauguration ceremony of the Poultry Science Conference and Expo in the coming month. Dr. Farhat Jabeen from the Department of Chemistry was also present at this meeting.

Orientation Session on Initiation of National University Rankings 2023

Dr. Aasma Khalid, Director Quality Enhancement Cell and Focal Person of HEC National University Rankings (NUR)/HES along with Moazzam Mumtaz (Assistant-BPS-16 and Focal Person-II of HUR/HES) attended an orientation session entitled, "Initiation of National University Rankings 2023" in the Regional Office of Higher Education Commission, Lahore on July 26, 2023. As per the directions of the Government of Pakistan, the Higher Education Commission has launched the National University

Rankings 2023. HEC has devised the NUR 2023 in 06 categories i-e Quality Assurance, Teaching and Learning Environment, Research, Financial and E-Governance and Social Integration and Community Development. These 06 categories have further been split into 69 parameters through which the HEC will collect and categorize all public and private sector universities of Pakistan. The primary objective of that session was to discuss all the 69 parameters with all focal persons. On special instructions of the President of Pakistan the HEC has initiated this ranking process.

We are Published in INQAAHE Newsletter

It is a matter of immense pleasure for the GCWUF community that GCWUF is published in the quarterly INQAAHE Newsletter. Self-Institutional Performance Evaluation Visit and Post-Graduate Program Review have been published in INQAAHE Newsletter Edition 2, July 2023.

Director QEC, GCWUF Dr. Aasma Khalid informs about this recognition of the university at this international platform. She is hopeful that the university will continue working for more glories in future. The International Network for Quality Assurance Agencies in Higher Education (INQAAHE) is a world-wide association of 500 organizations active in the various continents for the improvement of Quality Education around the globe.

INQAAHE publishes Quarterly Newsletters to present the Quality working of various institutions internationally. Government College Women University Faisalabad has been able to get the place in their Newsletter internationally.

MOU of Biochemistry Department GCWUF With Awami Laboratories, Lahore

Government College Women University is striving for opportunities to provide quality facilities of research to its students. Recently, Department of Biochemistry developed linkages with 2 organizations. One was from academia, i.e., 'University of Education-Faisalabad Campus' and the other Business herbal company 'Awami Laboratories, Lahore' which was the 1st ever MOU signed by any academic institution of Faisalabad with a herbal industry. Both the organizations signed memorandums with GCWUF for provision of necessary research facilities in the field of medicinal Biochemistry, phytochemistry, and extraction and development of natural products.

The MOU signing ceremony was held at Jinnah Auditorium, GCWUF on 2nd August, 2023. Dr. Mubshara Saadia, Head of the Department of Biochemistry presented the objectives of the collaboration. The MOUs were signed from GCWUF by the Worthy Vice Chancellor, Prof. Dr. Zill-i-Huma Nazli, and Registrar Asif A Malik while Prof. Dr. Shahid Iqbal signed MOU as Principal, University of Education, Faisalabad Campus, and Mr. Irfan Shahid signed the MOU as CEO-Awami Laboratories, Lahore. On this occasion, Incharge ORIC, GCWUF, Faculty of Department of Biochemistry, Coordinators of Faculties, Guest Speakers and Students of Biochemistry were also present.

In her address, the Worthy Vice Chancellor GCWUF appreciated the efforts of Chairperson, Department of Biochemistry in developing linkages to minimize the gaps between academia and industry and wished that the developed links would be helpful in establishing strong career of students in herbal research.

Workshop on “Isolation and Development of Natural Products: Biological and Pharmaceutical applications”

The 1st Two-day National Seminar Cum Workshop on “Isolation and Development of Natural Products: Biological and Pharmaceutical applications” has been organized by Department of Biochemistry, Government College Women University, Faisalabad on 2nd and 3rd August, 2023. University of Education-Faisalabad campus and Awami Laboratories, Lahore were the collaborating parties.

The ‘Inaugural session’ consisted the welcome address, talks of the collaborators, chief guest, coordinator faculty of Science and Technology, Registrar GCWUF and the Worthy Vice Chancellor-GCWUF, while the second session was the ‘Technical session’ in which the well-known guest speakers delivered their lectures, poster examination and lab works were performed.

In welcome note, the event convener Dr. Mubshara Saadia, Chairperson Department of Biochemistry highlighted the progressive vision of the Worthy Vice Chancellor GCWUF, Prof. Dr. Zil-i-Huma Nazli, for providing support and guidance for the successful completion of the event. She described that through the successful conduct of current event we not only have introduced our students about the developments progressing now in the field of Natural Products, yet we have also attained the requirement of Biochemistry scheme of study as well as the goals of SDGs proposed by UN. She also added that the current event has significance as it has representation of researchers from all the provinces of Pakistan.

The event collaborator Mr. Irfan Shahid, CEO-Awami laboratories LHR, briefed the students on making career in herbal industries of Pakistan. He discussed the scientific basis of Unani medicines and encouraged students to work hard in this specific field to promote less expensive and reliable herbal products in Pakistani market.

The chief guest Prof. Dr. Ijaz Rasool Norka, Chairperson Department of Plant Breeding and Genetics, University of Sargodha appreciated the concept of seminar and encouraged to conduct similar events which contribute to uplifting the institution's ranking at national and international levels. Dr. Norka presented souvenirs on behalf of Vice Chancellor, University of Sargodha to the Worthy Vice Chancellor GCWUF, Prof. Dr. Zill-i-Huma Nazli and the Chairperson Department of Biochemistry.

Prof. Dr. Saima Akram, Chairman Department of Mathematics appreciated the efforts of Department of Biochemistry for the conduct of successful seminar on natural products. Mr. Asif. A. Malik, Registrar GCWUF also appreciated the efforts of the convener to establish collaborations with two well-known organizations of Pakistan.

The Chief Patron of the event Prof. Dr. Zill-i-Huma Nazli, the Worthy Vice Chancellor GCWUF praised the conduct of activity on unique title and congratulate the Chairperson of Biochemistry Department and her team for organizing the event successfully. The Chief guest of 2nd day of the event was Prof. Dr. Farhat Jabeen, Dean Faculty of Life Sciences GCUF.

The technical sessions included talks by Dr. Mahmood-ul-Hassan from NIAB-FSD, Dr. Abdul Tawab-NIBGE-FSD, Prof. Dr. Nudrat Aisha Akram from GCUF-FSD, Prof. Dr. Imran Khatri from Jamshoro-Sindh, Dr. Abdul Rauf from Sawabi-KPK, Dr. Farida Bahlil from Quetta-Balochistan, Dr. Shagufta Kamal GCUF-FSD, Dr. Laila Rubab EU-Jauharabad Khushaab and Dr. Farid-Ul-Haq from EU- FSD.

In the closing ceremony of the event, the Chair of event for both the days Prof. Dr. Khalil-Ur-Rahman, Chairperson Department of Biochemistry, Riphah International University-FSD summed up the overall discussion of the researcher and proposed some insights for future benefits.
