

Expost-Facto Approval of the Adoption of GCUF Statutes

We are extremely delighted to announce that Honourable Chancellor GCWUF Engr. Muhammad Baleegh-ur-Rehman has sanctioned Expost-Facto approval of the adoption of GCUF Statutes, 2003. Vice Chancellor GCWUF Prof. Dr. Zill-i-Huma Nazli congratulated the staff and faculty of the university on achieving this milestone. She declared it a result of efforts rendered by all principal officers, staff members, and especially previous Vice Chancellors. She expressed her gratitude to the Honourable Chancellor GCWUF for paying special attention to this long pending matter since last ten years and declared that on its basis, the university is forwarding the cases of regularisation of employees also. It is indeed a historic moment for the GCWUF family.

GCWUF Conducts GAT Test for MPhil and PhD Admissions Under Supervision of Prof. Dr. Zill-i-Huma Nazli

Government College Women University Faisalabad conducted the GAT test for aspiring students seeking admission in MPhil and PhD programs. Vice-Chancellor of Government College Women University, Professor Dr. Zill-i-Huma Nazli, visited the test centre. The purpose of this visit was to ensure the smooth and transparent conduct of the test, emphasizing merit and justice. The aim is to facilitate the admission process and boost the confidence of students appearing for the test. Relevant department officials were also present during the visit, providing support and guidance.

Environmental Concerns by Mitigating Rising Temperatures and Improving Humidity levels Plantation Event

The Department of Public Administration organized a significant plantation event on September 4th, 2023 in GCWUF, aimed at addressing environmental concerns by mitigating rising temperatures and improving humidity levels. The event was graced by Kamal Anjum Mirza, the Senior Superintendent of Police, who served as the chief guest. Javed Iqbal, CEO of Green Gardens, played a pivotal role as a master trainer, providing insights into tree planting techniques and stressing the importance of kitchen gardening.

Tariq Tanveer, CEO and Founder of Agri-Tourism Development, and Sajid Iqbal Sandhu, CEO Green Circle attended as special guests. Professor Dr. Zill-i-Huma Nazli, Vice Chancellor of GCWUF, lauded the initiative to make Pakistan environmentally conscious. She highlighted how such green efforts enhance the city's aesthetics, combat air pollution, provide shade, and support local wildlife. The event began with an awareness walk highlighting the significance of environmental consciousness. In a symbolic gesture of commitment to the cause, the Vice Chancellor and other notable guests planted their own trees during the event, leaving a lasting mark of their dedication to a greener future for Faisalabad and Pakistan.

The event received further support from key figures, including Registrar Asif A. Malik, Controller of Examination Ms. Rizwana Tanveer Randhawa, Treasurer Ansar Mughal, and the coordinator of the Faculty of Management and Administrative Sciences, Dr. Nausheen Syed, Coordinator Faculty of Arts and Social Sciences Prof Dr Aidha Sameen, Add'l Director Media Cell Amara Javed, faculty members, students and media representatives planted their tree saplings and contributed actively to the success of the plantation drive. Department of Public Administration is grateful to Agri-Tourism, Green Circle, and Green Gardens, who generously donated 200 saplings for this noble cause.

Dr. Saiqa Sadiq, the Incharge of the Department of Public Administration, eloquently expressed the significance of tree planting as an engaging and eco-friendly activity for individuals to partake in, contributing to the betterment of our planet. She concluded the event with a heartfelt vote of thanks, leaving an indelible mark of environmental stewardship. Lastly, Lecturer department of Public Administration Nasreen Akhtar expressed her views regarding tree plantation and actively participated throughout the event.

Empowering PROs and Working Journalists: Two-day Training Workshop

Add'l Director Press Media Publication GCWUF Amara Javed attended two-day training workshop on "Empowering PROs and Working Journalists: Navigating Challenges and Shaping the Narrative" organised by Punjab Higher Education Commission. Public Relation Officers, Media Incharges, and working journalists from various universities in Punjab attended the training. The program aimed to enhance their skills and knowledge in the ever-evolving landscape of communication in media.

The training offered valuable insights into the best practices of public relations, effective communication strategies, media engagement, and the role of journalism in today's society. Chairman PHEC Prof. Dr. Shahid Munir graced the inaugural ceremony as chief guest. Prof. Dr. Habib Bukhari, Vice Chancellor Kohsar University Murree and Prof. Dr. Nasir Mahmood, Vice Chancellor, Allama Iqbal Open University Islamabad. They shared their valuable insights and experiences with the participants.

Interloop Need Based Scholarship Interviews of Students

Students Financial Aid Office of Government College Women University Faisalabad conducted the interviews of 383 applicants for Interloop Need Based scholarships session 2023-27. All committee members of Interloop Scholarships Student Selection Committee participated in the selection interviews.
